

Montana Gerontology Society
38th Annual Conference
“A Team Approach to Aging Well”
April 16-17, 2020

Holiday Inn Missoula Downtown, Missoula, Montana

Call for Presentations:

Montana Gerontology Society encourages members and colleagues to share their expertise in the field of aging with others in the form of presentations during the Annual MGS Conference. This year's theme is *“A Team Approach to Aging Well”*.

The goal of the conference is to offer presentations that address community members, work force and healthcare professionals in the care of the aging population. We are interested in ANY and ALL presentation ideas related to the field of aging. If you have a great presentation we would love to have you share it! Presentations are scheduled for 60 minute intervals, and run throughout various times of the two day conference.

We currently have our keynote speakers focusing on geriatric suicide and safe prescribing of medications in the elderly.

As a Conference presenter, you will:

- Receive a discount on the conference registration.
- Have the opportunity to meet, network, and share your expertise with aging service professionals who want to learn about your topic.
- Have your name and business affiliation published in conference materials and on the Montana Gerontology Society conference web site.
- Present as a volunteer.

Completion of the Presenter Information Form will provide us with what we need to make final determinations about speakers and topics. Please complete this form and email it to conference@montanagerontology.org or fax to 406-315-8335, **by December 16, 2019.**

****Extended through January 5, 2020****

The Presenters Committee will be reviewing the proposed presentations, and if you are chosen to present, we will notify you, and ask you to fill out the forms for Continuing Education Unit (CEU) requirements for various disciplines.

Thank you for your interest in volunteering as a speaker for the 2019 MGS Conference.

Sincerely,
Roxanne Klose
Terry Egan
Gayle Hudgins
Program Committee, Montana Gerontology Society

2020 MGS Conference - Presenter Information Form

Proposed title of session and track you would like to address:

Community Healthcare Professional Emergency Medical Services

Proposed Title of Session:
